A financial safety net for those breaks and falls

> “When my company offered Lincoln’s group accident insurance, enrolling was a clear choice for me.”

Meet Kate, a 37-year-old working mom of three active elementary school kids

My kids play — hard! Whether it’s on the playground or roughhousing in the TV room, there’s never a dull moment around here. Even my bookworm joins in. I love their energy, but there’s a part of me that’s worried about who’ll get injured (next!).

When my company offered Lincoln’s group accident insurance, enrolling was a clear choice for me. My coverage offers peace of mind and a cash benefit, should we have unexpected excitement around here.

And would you believe it was me who ended up using it first? I tripped going down the stairs and ended up in the ER. How’s that for a twist?

With my copay and high deductible, I was looking at more than $1,000 in medical bills. My accident coverage sent me a check that I used to help replenish what I had spent on my deductible and the babysitter for that ER trip. All it took was a few clicks on Lincoln’s portal.
