

MORE IMPACT. MORE SCHOOLS. MORE GOOD.

MORTGAGES THAT MEAN MORE

LET'S DEFINE IMPACT LENDING

Any mortgage lender that commits to at least 10% of its profits to helping the neighborhoods it serves is an Impact Lender.

MORTGAGE LENDING. FOR GOOD.

Movement is an Impact Lender. We give 40%-50% of our profits to making an impact in our communities. For us, purpose and people have always come before profit.

¹While it is Movement Mortgage's goal to provide underwriting results within six hours of receiving an application, process loans in seven days, and close in one day, extenuating circumstances may cause delays outside of this window.
²In 2024, 82% of loans processed in 7 days or less.

We use our profits to help our communities and create a brighter future for everyone. More homes, more impact, more support, more giving, more schools. With every home closing, we open doors to more.

MORE IMPACT

We uplift others by funding much-needed infrastructure, education and support to underserved areas in the U.S. and around the world. Since 2012, we've invested \$402 million in the Movement Foundation, our vessel to pour profits back into the community.

MORE SCHOOLS

We believe that by providing quality education, we can help families and communities break cycles of intergenerational poverty. Movement Schools is a network of public charter schools committed to teaching world-class academics and virtues in underserved areas. We recently expanded by opening a new school in Charleston, SC, with additional schools currently in development.

MORE GIVING

By partnering with Karis Management Group and The Impact Foundation, Movement employees have nominated and presented GraceWorks grants to hundreds of nonprofits nationwide. It's just one way Movement works to create a nationwide community of generosity. When homebuyers pick Movement, the impact keeps multiplying.
